

## HOW TO SIGN UP AS A 'FAT CHICK GOES AWOL' AFFILIATE

1. Go to <http://www.fatchickgoesawol.com/affiliates/> and click on 'Join the Affiliate Program' button.

2. This will take you to e-junkie.com, which is the affiliate program software. At e-junkie.com you will need to create an account. E-junkie is not exclusive to *Fat Chick Goes AWOL* and you can use this account to join any of the thousands of other affiliate programs on there. It also allows you to create your own affiliate program (Note: this function attracts a monthly subscription fee). To create an account, enter your email address and a password in the Register section, then click on Register.

3. E-junkie will email you an Activation Code. Enter the code into the Activation Code field and click on Activate.
4. E-junkie will likely take you to the Seller Admin tab, where Sell with PayPal is likely to be ticked. Unless you want to create your own affiliate program, untick this box and click on Affiliate Admin.

The screenshot shows a web browser window with the URL `e-junkie.com/ej/admin/#affiliates`. The page features a dark blue header with a 'SIGN OUT' link and a red 'GO TO ADMIN' button. Below the header is a yellow banner for a 'New Shopping Cart' beta testing. The main content area has a white background with the e-junkie logo and three navigation cards: 'SELL' (with our easy embeddable cart), 'SHOP' (the cool stuff our users make), and 'LEARN' (from our community of creative junkies). A dark blue navigation bar contains 'Seller Admin', 'Affiliate Admin', and 'Help' links. The main content is divided into three sections: 'Your Affiliate Account' (with 'Your Affiliate ID: 331214' and 'Edit Profile'), 'Your Affiliate Programs' (with a 'Select Merchant' dropdown), and 'Important Notes' (with text about merchant responsibilities). The Windows taskbar at the bottom shows the date as 28/11/2017 and the time as 1:02 PM.

5. Click on Edit Profile under Your Affiliate Account. Enter your email address (if not already showing), your business name and your PayPal email, then select Anna Mitchell from the drop down box of the Your Affiliate Programs field. If Anna Mitchell is not showing, sign out and sign back in again and it should show up. When you have finished click on Apply to go back to the main Affiliate Admin screen.
